Disclaimer: The patient or any other person responsible for payment has the right to refuse to pay, cancel, payment or any other service, examination or treatment which is performed as a result and within 72 hours of responding to an advertisement for free, discounted fee or reduced fee for service, examination or treatment. Per Federal and/or state laws, This discount does not include medicare, medicaid or any government insurance plan. If your initial visit is due to a motor vehicle/cycle collision, slip and fall or any other injury resulting in litigation, this coupon can not be used. However in most of those cases there is no out money of pocket by the patient as insurance or lop's typically cover all or most of the fees. Additionally some contacted insurance carriers do not permit discounted initial visits and only your copay would apply. This coupon/discount is only good for new patients on their initial visit into our office that have not previously been seen in this office. This ad must be mentioned when making the appointment to be valid or discussed prior to your first appointment. It can not be used for any previous treatment or services and is not transferable or redeemable for cash.
